VETO SESSION

## HB 1161 - Repealing the requirement to obtain a license to sell in order to sell pistols or revolvers at retail.

Notwithstanding the Governor's veto, shall HB 1161 become law?

Our recommendation:

**YEA**

This bill, which repeals an unenforced law that reduced personal responsibility, is **pro-liberty**.

- In the committee hearings for this bill, it was noted by several people that few towns enforce ordinances regarding this.
- During testimony, it appeared that many chiefs of police were not aware of the statute.
